Claims 1-11 are pending. No drawings were filed with the application.

Applicant's election with traverse of group I, claims 1-7 in Paper No. 9 is acknowledged. The traversal is on the ground(s) that the application teaches one inventive concept. This is not found persuasive for the reasons of record.

The requirement is still deemed proper and is therefore made FINAL.

Claims 8-11 are withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected invention, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in Paper No. 9.
